Find out more Toretto, his wife Letty, and their son, Brian, are living a serene life off the grid, but they are well aware that danger lurks just beyond their tranquil horizon. That menace will once again push Dom to confront the faults of his past if he is to save people he cares about the most. A world-shattering conspiracy is being orchestrated by the most experienced assassin and high-performance driver they've ever encountered: a man who also happens to be Dom's forsaken brother, Jakob. Dom's crew must band together to foil the plot. When you buy through our links, Insider may earn an affiliate commission. Learn more. "F9: The Fast Saga" is now available to watch on HBO Max. If you don't have HBO Max, you can also buy a streaming copy of the movie for \$15 from services like Amazon Prime Video and Vudu.Directed by Justin Lin, "F9" is the ninth installment in the "Fast & Furious" series. The blockbuster features Vin Diesel and John Cena as feuding brothers. "F9" is aimed at fans of big action stunts and it's packed with all the wild car chases and exciting set pieces the franchise is known for. Check out the 'F9' trailer"F9" also honors the late Paul Walker who died in a car accident in 2013. Walker played Brian O'Conner in the first seven "Fast & Furious" movies. For more details about how the film pays tribute to Walker, read Insider's interview with director Justin Lin. He previously served as High-Def Digest's Gear Editor from 2013 to 2019, and his work has appeared on Ben's Bargains, Steve's Digicams, Big Picture Big Sound, and Consequence of Sound. Over his nine years of experience covering the audiovisual industry, Steven has reviewed numerous TVs, headphones, speakers, monitors, streaming players, and more. He was one of a select number of journalists invited to get a hands-on first look at LG's first 8K OLED TV in 2019, and is always excited to check out the newest and biggest displays on the market. Based on his extensive experience in the home theater industry, Steven served as one of the expert judges for the 2018 TV Shootout, the premier annual display competition that crowns the best TVs of the year. Steven also has a background in film criticism, having reviewed over 400 movies and TV shows. He uses his movie industry knowledge to help inform his coverage of the streaming and home entertainment markets. Steven's own home theater setup makes his passion for entertainment clear, complete with a 65-inch HDR display and the biggest Dolby Atmos speaker system he can fit in his apartment. And though he often spends his free time binging new series on every streaming service under the sun, he remains proud of his huge collection of Blu-ray discs. See below for some of his work.
